Introducing SmartConnect™

SmartConnect is an exclusive program created specifically for working or retiring adults (and family members) who are Medicare-eligible and may not have fully explored the benefits of Medicare coverage.

Staying on your employer's coverage may be easy, but it's not always the best option. In fact, Medicare plans could provide more coverage at a lower cost than your employer's plan.

SmartConnect puts your specific needs first and matches you with the education and the experienced advisor you need to make the best decision for you. SmartConnect gives you access to plans from national insurance carriers.

Whether you're planning to continue working or looking to retire, we are expert listeners who can guide you to a tailored solution. We know this is a big decision.

Our mission is to inspire confidence and help you find your balance in Medicare.

Key considerations when choosing a plan type

One of the primary decisions with Medicare is determining whether a Medicare Advantage or Medicare Supplement plan is right for you. Here are key points our team considers when working with customers.

Existing conditions or pending treatments

Medicare generally covers pre-existing conditions and disabilities. However, there are exceptions. This is an area where working with an advisor can be especially helpful.

Prescriptions

Medicare offers a few different options for prescription coverage.

Location

Networks and plan offerings vary by region.

Travel

The amount of travel (and type of travel) you do can impact out-of-pocket costs.

Out-of-pocket cost structure

Some plan types require a monthly premium while others only need payment when you use the plan.

No matter your need, no matter your situation, our licensed insurance agents are your personal guide to Medicare.

The SmartConnect Process

SmartConnect is an exclusive program created specifically for working or retiring adults (and family members) to explore the benefits of Medicare coverage. Here's what our concierge service looks like:

Educate

The first step is to understand the details that could impact your enrollment, costs, and coverage. To get started, visit your company's dedicated SmartConnect Portal, called "The Connection," at the link at the bottom of this document.

Connect

Next, we get to know you. We'll ask you some questions about your health insurance needs and preferences so we can head down the right path.

Evaluate

Then, a licensed insurance agent will provide you with the plan and carrier options available to you

Enroll

While our services are obligation-free, if you find something you like and you're ready to take action, we can enroll you on the spot.

Support

We have a team who is dedicated to your Medicare experience. They're available to answer questions, conduct policy reviews, and even help you work with the carrier when necessary.
